

## Exhibitor Information

**WELCOME to the International Conference on Integration and Commercialization of Micro and Nano-Systems**, co-organized by the Nanotechnology Institute of American Society of Mechanical Engineers (ASME), the Micro/Nano Manufacturing Technology Institution of the Chinese Mechanical Engineering Society (CMES), and the Micro and Nanotechnology Commercialization Education Foundation (MANCEF).

The conference will focus on the state-of-the-art research and development in micro- and nano-scale phenomena, devices, systems, manufacturing, and commercialization of micro- and nano-technologies. The conference will consist of plenary talks, invited talks, contributed oral and poster presentations, and exhibitions and will provide opportunities for communication and collaboration between industry and academia.

The conference will be held at **The International Asia Pacific Convention Center & HNA Resort Sanya**, the largest luxury five star convention resort owned and managed by the Hainan Airlines Group. The resort features 611 luxurious and spacious guestrooms and suites and a 5400 square meters convention center with 16 function rooms accommodating from 20 to 1000 persons.

Don't miss this opportunity to exhibit!

Full-conference, complimentary registration – (one) is included with each booth, regardless of booth size. Attendants are free to participate in the mainstream Integration and Commercialization of Micro and Nano-Systems conference and join delegates at all conference functions. Secondary passes for additional booth attendants can be purchased at the discounted price of \$USD300.
