

COMS2009 - Abstract deadline!

Deadline on Monday!

Those interested in giving a presentation are invited to submit a short abstract to abstracts@mancef-coms2009.org.

Deadline for submission is May 4th, 2009.

Abstract guidelines are available at <http://www.mancef-coms2009.org/call-for-papers>

Exhibition

The accompanying exhibition will cover all aspects of the technologies related to commercialization and provide an ideal environment for new business development.
