

COMS

Commercialization of
Micro-Nano Systems
C O N F E R E N C E

AUGUST 28 - 31, 2011

*Hosted by the dynamic nanotechnology growth centre of Greensboro
and the world renown North Carolina Research Triangle.*

- Discover the latest developments and trends in MNT
- Learn the latest on Nanotechnology Commercialization
- Network with industry visionaries, investors and technologists
- Meet leading customers and end users of small technology

The Grandover Resort

Conference Topics:

Business Development for MNT Products and Systems
Global Perspectives - Economic Policy, Markets, Developments
Materials, Systems and MNT Applications
Bio and Medical
Utilities - Energy, Transport, Security, Communications, Electronics
Micro-Nano Manufacturing and Tools
MNT Education & Training for Workforce

**NETWORK, CONNECT,
COMMERCIALIZE!**

The MANCEF Micro-Nano Event of theYear

Commercialization Of Micro and Nano Systems (COMS) is the leading annual conference on micro and nanotechnology commercialization.

COMS will provide you with:

- The latest information on technology transfer, manufacturing processes, facilities, investment, infrastructure, applications and markets
- Public Awareness
- Business Roadmapping
- Education and workforce development.

You will meet:

- Customers
- End users
- Leading industrialists
- Financiers
- World class academics
- Government representatives
- MNT Media.

COMS 2011

**Where the global Small Tech community
meet to drive the future.**

COMS brings together leaders from all over the world and every sector of industry, all sharing, learning and creating partnerships in an open interactive setting. This is a powerful environment focused on accelerating commercialization activity among established and emerging micro and nano businesses.

Who should attend COMS 2011?

- Engineers
- R&D Managers
- Manufacturing Managers
- Technology Transfer Managers
- Product Development Managers
- Business Development Managers
- Intellectual Property Managers
- Angel Investors & Venture Capital Firms
- Economic Development Managers
- Scientists
